

A vibrant, stylized illustration of tropical foliage. The background is filled with various types of leaves in shades of green and teal, including large monstera leaves with characteristic holes and palm fronds. Interspersed among the leaves are several tropical flowers: a bright orange Bird of Paradise flower with a blue center, a large red hibiscus flower, and a white plumeria flower with a yellow center. The overall style is bold and graphic, with a dark background that makes the colors pop.

Guideline to a Successful Gifting Experience

Our fitting events will always be staffed by Maui Jim employees – product experts who ensure guests receive service with aloha.

Every pair is packaged with care – complete with complimentary collapsible case and cleaning cloth. We can customize cases and cloths with your logo for a minimal additional fee.

We take care of all the details allowing you to focus on the rest of your event.

No surprises or hidden fees. You pay the same flat per unit price no matter what styles your guests choose. You will never pay for additional staffing costs, freight mark-ups, or restocking charges.

What to Expect

EVENT STAFFING

Maui Jim staffs your event based on the number of guests receiving sunglasses versus the amount of time we are fitting your guests. The best way to use this gifting experience is as an activity as well as a gift. The reactions and excitement generated when everyone is together choosing their sunglasses is unmatched. A welcome reception is a great moment for this gift because it helps set the tone for the full event. It's an ice breaker, a networking activity, and a gift they will never forget!

The maximum amount of time we can provide staff for a group this size is listed in the below guidelines. However, when done with the intent of creating excitement and showing appreciation, you won't need the full amount of time.

FITTING TIME GUIDELINE BY NUMBER OF GUESTS

50-99 people: 2-3 hour time window over one day

100-249 people: 2-6 hour time window over one day

250-499 people: 4-8 hour time window over one day

500-799 people: 5-10 hour time window over one to two days

800-999 people: 6-12 hour time window over one to two days

1,000-1,500 people: Discuss event logistics with your sales manager to determine the right amount of time for your group

TRACKING WHO HAS RECEIVED SUNGLASSES

We will ask you for a list of attendees. Our staff will indicate who has received sunglasses, and who has not. Our reps can then consolidate their lists and tell you who still needs to pick up sunglasses.

A GUIDE TO A SEAMLESS ONSITE EXPERIENCE

We are a team. We want your recipients fit with sunglasses as much as you do! Help us by reviewing the list throughout your onsite experience and gathering the recipients that still need to pick out their sunglasses.

POST EVENT SERVICES

What happens if a participant misses the fitting? Maui Jim offers digital redemption via a link through our digital experience or e-codes. Be prepared and determine the best options for your group with your Maui Jim Sales Manager before your guests miss the fitting.
